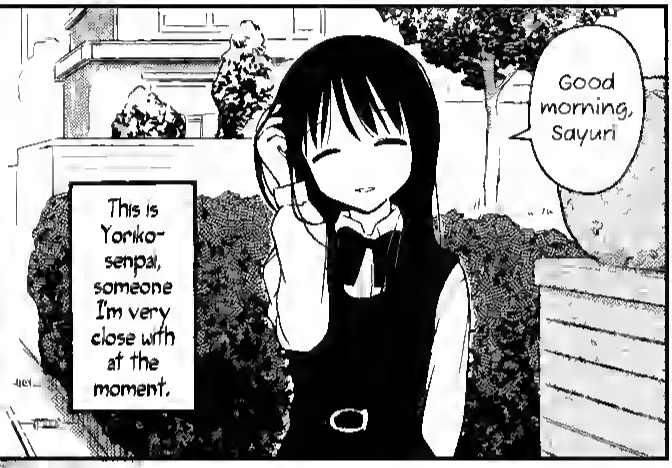
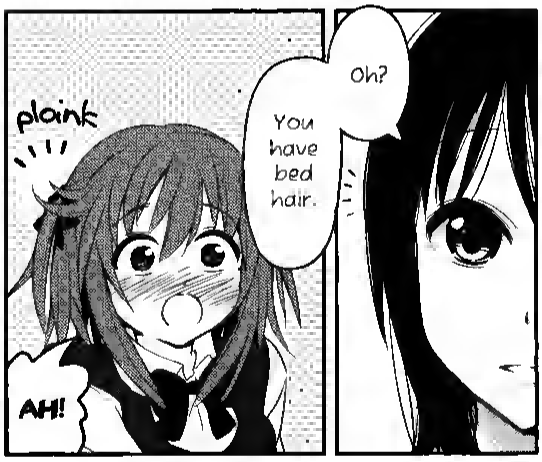
I'm in my first year of high school at St. Sera Academy.
Yoriko-senpai, good morning

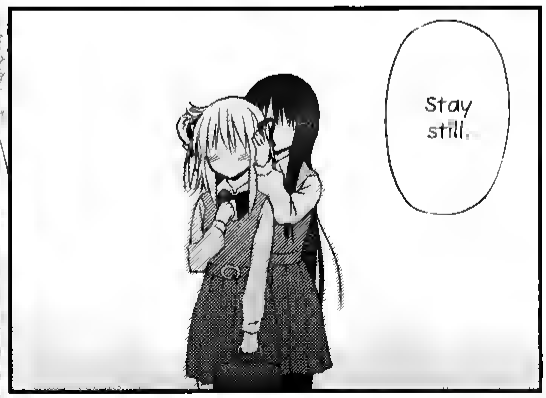


Good morning, Sayuri
This is Yoriko-senpai, someone I'm very close with at the moment.

There, now it's balanced again
You didn't fix it...?!



plonk
You have bed hair.
Oh?
AH!



Stay still.

『Can you say it differently...?』
Sayuri, are you wearing makeup today?
Hm?
Y-yes, really thinly, though.
Senpai noticed it!
shy
Sa-yuri...
Don't ever do that again.
You ruined your cute uncultured bumpkin appearance. Pick your nose sometimes, too
T-that doesn't make me happy at all!!
shock
Senpai is mad?! Is it because it's against school rules?
?!
WIPE WIPE
S-Senpai, I...

『Are you angry at me?』
Yoriko-senpaaai! Sorry for the wait!
You're late Sayuri... my stomach is already growling
...Oh? Sayuri, your hair-style...
Ah, yes...
A friend from class redid it during one of the break periods...
D-does it look good?
I'm sure I just look like even more of a bumpkin...
?!
You must be pretty close with this friend.
THIS ISN'T MY NORMAL STYLE AT ALL!
Could it be Senpai is jealous?
Ah, uhm, it's not what you think...
I like your normal hair style best.
Come, let me fix it.

The vending machine had a new type of milk.
I like milk, so I was really happy
How nice, milk.
You chose something other than tea today?
Could I try?
Eh?!
Y- yes, go ahead
What sucking power!
crum
ple
Wah wah! This is...
an indirect kiss!
ba-thump
ba-thump

『That's too long』
What shall we do next Sunday, Sayuri?
Right...
I wanna be brave and invite her to my house, but...
I'm worried she might say no!
Ba-thump
Ba-thump
Ah, uhm, Sen-pai...
One moment, Sayuri. I need to freshen up.
move
Ah, yes...
O-okay! I made up my mind! When Senpai returns...
I'll invite her! Yes. I'll definitely do it!
Sorry for the wait, Sayuri.
Ah, say, Senpai...
YOU'RE PULLING ALONG TOILET PAPER!

ding dong dang dong...
『Noooo...』
We should head back.
Yes.
Ah, I forgot to buy a new lip balm.
twist twist
Use mine.
Ah, okay, sorry.
Another indirect kiss...
S-Senpai...?!
Don't move.
?
N-no way! She'll apply it with her mouth?!
ba-thunk
I never thought sharing lip balm could be so sensual...!
ba-thunk
You had some seaweed between your teeth, Sayuri.
Fufu, I knew it.
Gah !!!

『For after school』
Senpai sorry for the wait
Sayuri You saw that, right?
Uhm... Who was that?
And she seemed to be crying
You two were talking
gasp
!!
Don't worry Of course I refused I have you, Sayuri
She asked me to go out with her
Eeh...?
...Was she cute?
Why do you ask?
I'm curious...
It's not like she was my type or anything
She was definitely her type!!

I will always love you though, Senpai
Then don't let me be a burden and dump me...
If someone ever confesses to you who you like more than me...
『But that's exactly...』
Uhm, Yoriko-senpai ...?
What is it, Sayuri?
Sayuri, I would never want anyone but you!
shock
!!
What are you saying all of a sudden, Sayuri?! Are you worried about earlier?
I actually want you all to myself, so, so badly!
When I saw that girl you rejected crying, it actually made me happy... "Serves you right," I thought...
sob
sob
S-Senpai, I'm so sorry! I wasn't being honest at all! I just wanted to try to find out how you were feeling...
I find it a bit repulsive, but it doesn't really bother me
I'm such an unpleasant girl, aren't I?
...Sa-yuri, it's all right
Such trivial matters were soon forgotten in Senpai's soft embrace.
I felt she shouldn't call me "repulsive," even as a joke, but...
